GOVERNORS CITATION

RED BARBER

For bringing accuracy, intelligence, integrity and wit to the telecasting of baseball for the past 20 years and for striving to improve the television reporting of sports events.

WCBS-TV

For focusing vital attention on a most serious community problem through its continuing series of Editorials, numbering 21 during the Awards year, on the need for legislation regulating the sale of guns.

WNBC-TV

For its Project Health, a concerted and thorough effort to alert and inform the New York community about problems relating to health and medical care, utilizing 25 regular and special programs over a one-month period.

WNEW-TV

For providing a significant and valuable service to the New York community by focusing attention on specific problems and bringing about remedial measures through the efforts of its Action Reporter.
