SPECIAL STATION ACHIEVEMENT AWARD

- WCBS-TV — For Sunrise Semester for its considerable vision and production skill in bringing to the New York Television audience and to a large number of accredited students the drama of the university classroom and the superb teaching skill of Dr. Floyd Zulli, Jr.; and for its cooperation with New York University in making television education dynamic and absorbing.
- WPIX — For providing extensive facilities on a regular continuing basis for the broadcast of programs produced by the Metropolitan Educational Television Association, and for recognizing the vital function and the importance to the New York public of educational television programming.
